EXHIBITOR'S ADVERTISING LITERATURE AND PRODUCT BROCHURES

All exhibitors will be permitted to hand out brochures if they wish to do so. However, all advertising circulars must be distributed from booths only and must not be placed or distributed outside your assigned site boundaries. Materials are not permitted to be distributed from event parking/registration areas. Only materials pertaining to the Official exhibitor may be exhibited.

SECURITY

Exhibitors are required to maintain staff within their booth during all show hours. To minimize the risk of theft, we suggest you keep your booth staffed until the aisles have been cleared of all attendees at the end of show days.

Exhibitors are reminded that Show Management does not assume any responsibility for losses; therefore, exhibitors should take all reasonable precautions to protect their own property, including insurance. Security guards will be on 24-hour duty from the start of move-in until the end of move-out.

Show Management is not responsible for the loss of any item from an exhibitor's booth, nor is the facility.

IMPORTANT NOTES ON EXHIBITING

If you have food/beverage samples or products, they must be pre-approved by show management and the facility.

If your exhibit includes a vehicle, Show Management must be informed so we can schedule a move in time. You must have a locking gas cap and you must disconnect the battery. Please leave the keys at the show office.

It is your responsibility to arrange to ship your exhibit to the show and back to your place of business, after the show is over. Please ship during the posted move-in/move-out hours only.

No trucks, signs or mobile signs of any kind will be allowed in the parking lot, once the show is open.

During move-in/move-out, please do not block the loading doors with your vehicle.

It is not permissible to have helium-filled balloons.

You are not allowed to solicit in the aisles.

Music or Audio

Should your exhibit include amplified sound of any kind, it must not encroach upon a neighboring exhibitor's ability to do business.

Sign Hanging

Should an exhibitor wish to raise or hang a sign above the 8' height that is allowed, this must be approved by show management in advance of move in. Should the sign be approved, it is the exhibitor's responsibility to arrange to have the sign hung or raised by our event contractor or an exhibitor appointed contractor, provided that contractor provides proof of insurance and names Master Promotions and it's appointed event contractor as an additional insured party. The sign must be single sided, and cleanly finished on the blank side so as not to encroach upon the adjacent exhibitor's booth.

Please do not block your neighboring booths with an 8' sidewall. No 8' sidewalls are permitted past 6' from your back wall, without permission of Show Management.

Company mascots are welcomed and encouraged but must remain in the confines of booth space unless otherwise approved by show management.
