Materials are not permitted to be distributed from event parking/registration areas. Only materials pertaining to the Official exhibitor may be exhibited.

SECURITY

Exhibitors are required to maintain staff within their booth during all show hours. To minimize the risk of theft, we suggest you keep your booth staffed until the aisles have been cleared of all attendees at the end of show days.

Exhibitors are reminded that Show Management does not assume any responsibility for losses; therefore, exhibitors should take all reasonable precautions to protect their own property, including insurance. Security guards will be on 24-hour duty from the start of move-in until the end of move-out.

IMPORTANT NOTES ON EXHIBITING

If you have food/beverage samples or products, they must be pre-approved by show management and the facility.

If your exhibit includes a vehicle, Show Management must be informed so we can schedule a move in time. You must have a locking gas cap and you must disconnect the battery. Please leave the keys at the show office.

It is your responsibility to arrange to ship your exhibit to the show and back to your place of business, after the show is over. Please ship during the posted move-in/move-out hours only.

Sign Hanging

Should an exhibitor wish to raise or hang a sign above the 8' height that is allowed, this must be approved by show management in advance of move in. Should the sign be approved, it is the exhibitor's responsibility to arrange to have the sign hung or raised by our event contractor or an exhibitor appointed contractor, provided that contractor provides proof of insurance and names Master Promotions and it's appointed event contractor as an additional insured party. The sign must be single sided, and cleanly finished on the blank side so as not to encroach upon the adjacent exhibitor's booth.
